

# Appendix AG. Assessment Criteria for Multiple Choice Examinations

Version 1.2

2002/05/11 11:23:26

Multiple choice papers will be assessed according to the following criteria unless a different pre-published scheme associated with the individual module is indicated.

- One mark will be added to the total for each correct answer.
- A penalty factor calculated as follows:  
 $1 / (\text{no. of possible wrong answers for this question})$   
will be deducted for each wrong answer.
- A question which is not attempted will awarded zero.
